Subject: EPA Comment to State Board on Triennial Review - Per our discussion
EPA Letter 021312 .pdf

This is the letter we sent out.

This letter references several other letters we have sent out to the Board saying basically the same thing (about the interplay between the ESA Bay Delta Conservation Plan and the CWA processes). I am not attaching those here but if someone wants them let me know and I'll dig them out. They are on our web site.
